

## DRIVEN NAILS INTO ZWANZIGER'S BACK

Somebody Hit Him With Paling, Freshly Torn From Fence.

The police deny that Julius Zwanziger was shot in the back early yesterday morning at Blair and Lombard Streets. Zwanziger was found by two officers lying in the street. He said a woman had shot him in the back. He was taken to the City Hospital in the ambulance, where his wounds were attended.

Investigation by Patrolmen Tate and Krangel developed the fact that Zwanziger had been struck in the back with a paling with two nails in one end of it. The sharp, rusty nails made an ugly wound in the man's back. The paling apparently was torn from a picket fence near where the man was assaulted. The police claim that Zwanziger has not told the real story of his nocturnal prowling and escapade. Unless blood poison sets in he will soon recover.

Several weeks ago Zwanziger drank himself into a local poolroom in an effort to commit suicide. Several years ago he fired into a mob during the street car strike.

## HORSE BEATEN BY MAN WHILE DRUNK

Police Arrest Farmer for Cruelly Punishing Animal on Boulevard.

On a charge of cruelly beating and torturing a horse which he was driving to a wagon, Thomas Hayes, thirty-three years old, a farmer, of Rio Vista, was arrested last evening on the Boulevard by Bicycle Officer Clark. Automobileists witnessed the man's treatment of the horse. Women telephoned to the Second Police Station that a man was striking his horse on the head with a brick and whipping him unmercifully. Sergeant Kersa dispatched Officer Clark to arrest the driver.

It was found by the police that Hayes was under the influence of liquor. The horse had been badly knocked on the head. Several welts were discovered on its back and bruises on the ears and over the eyes.

Hayes is employed by John Marshall, a prosperous farmer at Rio Vista.

## BARBECUE FOR ENDURANCE RUN PARTY AT DURHAM

## RICHMOND COLLEGE FINALS UNDER WAY

Baccalaureate Sermon to Be Preached by Dr. Wallace in Chapel To-Night.

CAP AND GOWN TO BE WORN

President Boatwright Issues List of Graduates—Program for Week.

Significantly "ringing out the old, ringing in the new," the chapel bell at Richmond College will to-night summon "town and gown" to one of the last baccalaureate sermons to be preached on the venerable campus which must soon give way to the new college city shortly to rise up at Westhampton. Not many more graduates can be enrolled on the roster of the college before the new Richmond College will drink of the fountain of golden youth and carry the thread of its honorable record of high achievement unbroken to its new and beautiful home.

This is commencement week, and the baccalaureate sermon to-night at 8:15 o'clock in the chapel of the college is to be delivered by Rev. O. C. Wallace, D. D., pastor of the First Baptist Church of Baltimore. Not only in the councils of his congregation, the Dr. Wallace known as a public speaker of first eminence, but such is his reputation throughout this country. The authorities of the college count themselves fortunate in securing Dr. Wallace as the preacher for this occasion.

**In Cap and Gown.**  
For the first time in the history of the institution, the students, faculty and trustees will appear in cap and gown. The baccalaureate sermon and the day of commencement are of equal dignity as academic events, so tonight the official participants in the commencement will wear their most ceremonial robes in honor of the occasion. The royal purple of the doctors of divinity will mingle with the blue and white of the honor hall of the bachelors and masters and others.

Class Day comes to-morrow night at 8:15 o'clock. This will represent the lighter side of commencement, and orations and historians will make merry and glad the time. The class is very large, this year, there being twenty-six candidates for the B. A. degree, one for M. A., four for B. S., and seventeen for B. L.

Alumni Day is Tuesday, and the sons-and-daughters-of-the college will be here then, flocking from hamlets and cities to do honor to their alma mater. Richmond College emphasizes in every possible way the fact that the alumnus, no matter how long ago he left the college, is still a part and a welcome part of it now.

The annual dinner of the Society of the Alumni comes in the evening at 5:30 o'clock on Tuesday afternoon. There will take place, just before the dinner, reunions of the classes of 1869, 1885, 1900 and 1905, these classes having graduated fifty, twenty-five, ten and five years ago, respectively.

At the annual dinner of the Society of the Alumni many speeches will be made, some of reminiscence, some of prophecy, and it is safe to say that the newer Richmond College will have a lot to say about it at this time.

Just a little bit earlier on the same day the alumnae and women students of the college will tender a luncheon at Guth's to the women graduates of 1910. This will take place at 4. The alumnae are showing their fair share of interest in college activities, as this event shows.

In special honor of the alumni and alumnae, the college dramatic club will present "The Two Gentlemen of Verona" at 8:15 Tuesday night. Some time ago the club produced this famous play and was most successful in it. The "old grads" will be there in large numbers.

The annual meeting of the board of trustees comes at 11 A. M. Tuesday.

## AROUND THE HOTELS

Henry C. Stuart, who has been campaigning in the Ninth District, returned to the city last night from the Southwest, and is stopping at the Jefferson.

"I sincerely hope that Governor Gillett is mistaken in his idea that the Jeffries-Johnson fight is a frame-up," said a traveling man at Murphy's last night. "I hope that the men will fight to kill, and that Johnson will retain the championship."

"The Governor of California evidently thinks little of the white race when he says that they intend that Jeffries shall win, and that Johnson would not leave the ring alive if he should chance to knock the white man out. It is time that the white people of the country should be content to leave such degrading distinctions to the opponents of the white race, and the prehistoric characteristics of the stone age, when might made right."

Both teacher and pupils deserve much credit for the carrying out of the elaborate program. Between the scenes music was furnished by Misses Carolee Woodward, Virginia Goodwin and Kilburne Barrett.
